Dear Hiring Manager:

If your firm is seeking a professional who has demonstrated sound business judgment, decisiveness, management, analytical, and communication skills, and consistently high level of performance in a variety of progressively responsible and challenging assignments, please see my enclosed resume.

I am accustomed to a fast-paced environment where deadlines are a priority and handling multiple jobs simultaneously is a requirement. I enjoy a challenge and work hard to attain my goals. Constant communication with all levels of management has strengthened my interpersonal skills.

My experience and qualifications include

- Board-certified MD in Anesthesiology (Switzerland).
- PhD in Cellular and Integrative Cardiovascular Physiology from the University of Minnesota.
- Wide-ranging R&D experience in both the biomedical device industry and academic settings, with focus on cardiovascular medicine, drug and biologics delivery.
- Clinical expertise in anesthesiology, internal medicine and acute care medicine, as well as pain management.
- Research experience in gene and cell therapy.
- Scientific: of 17 peer-reviewed publications, 8 book chapters/invited reviews.
- Inventor of 2 granted, 14 filed US patent applications, member of the CRDM patent board, and expertise in IP landscape analysis as technical consultant.
- Significant management, as well as financial management expertise. Currently managing a 2.2M dollar research program as cost center manager, 5 direct reports, 5 external FTEs.
- Solid foundation in business management and leadership (Minnesota Executive Program (Carlson School of Management, U of M). Currently serving as Director of the Board of Drug Delivery Company.
- Multi-lingual with fluency in English, German, and French.
- Swiss and U.S. Citizen.

Currently, I am exploring opportunities that would benefit a company's success and serve as a source of new possibilities. I believe my expertise would be a value to a company looking for effective leadership and direction. The enclosed résumé summarizes my achievements, experience and other information you will find helpful in understanding of my background.

If you are seeking leadership from someone with my qualifications, experience, and track record, I would welcome a personal interview. I appreciate you taking time to review my credentials.

Sincerely,

Jerome Mueller, MD PhD
